Fire Department personnel will be happy to take blood pressure readings at all four of our fire stations. You can stop by anytime, just ring the doorbell to alert fire crews of your presence. There will be times that the firefighters will be out of the station responding to emergency calls, if that is the case please check back at a later time or try one of the other stations. Listed below are the locations of participating stations:

- Station 571, 20945 N. Porter Rd.
- Station 573, 40117 W. Bowlin Dr.
- Station 574, 44925 W. Alterra Pkwy.
- Station 572, 36351 W. Honeycutt Rd.
