OUT & ABOUT MARICOPA

YOUR GUIDE TO RECREATION, ENTERTAINMENT, EVENTS & MORE

There's always something happening in Maricopa. Whether you're looking for a new class to try, an event to attend, a local business to discover or a reason to get out of the house, *Out & About Maricopa* is designed to help you find it.

Inside this new quarterly community guide, residents can expect to find City recreation programs, community events, local entertainment, seasonal activities, classes, sports, arts and cultural opportunities and more. It's a resource for discovering something new, making weekend plans or simply finding out what's happening around town.

A place for Maricopa to share what's happening.

One of the goals of the publication is to make it easier for residents to discover the many things happening beyond just City-sponsored programs.

Local nonprofits, community organizations, clubs, schools, recreational groups and other organizations will have opportunities to share their upcoming events and activities through

the community calendar at no cost, helping residents find even more ways to get involved.

In addition, through the City's support of the publication, Maricopa businesses and organizations offering things to do will have access to advertising opportunities at reduced rates, making it easier for local entrepreneurs, event organizers and community partners to showcase what they offer.

Something for everyone. Something to look forward to.

Each issue will offer a snapshot of what's coming up over the next three months, giving residents a chance to plan ahead and make the most of their community.

So, whether you're looking to play, learn, explore, connect, shop, eat, volunteer or simply have a little fun, keep *Out & About Maricopa* close by.

Because there's always more to see, more to do and more to discover right here in Maricopa.

HAVE SOMETHING HAPPENING

WE WANT TO HEAR ABOUT IT.
